CANDIDATE FOR THE POSITION OF 3GPP TSG CN WG 2 VICE CHAIRMAN

Dear Sirs,

Ericsson is pleased to nominate Mr. **Yun-Chao HU** (Ericsson) for the position as vice-chairman of the 3GPP TSG CN Working Group 2 (MAP/CAP).

Yun-Chao HU graduated from the University of Technology, Eindhoven, The Netherlands, 1989. He received the title of Master of Design (Information and Communication Technology) at the Stan Ackermans Post-Graduation Institute, Eindhoven, The Netherlands, 1992.

From 1992 till 1995 Yun-Chao HU has worked in several Intelligent Network (IN) design projects and IN application research within Ericsson, including standardisation work in ETSI NA 6 and SPS 3, and ITU-T SG 11 WP 4 (IN).

From 1995 till 1997 Yun-Chao HU has worked in the technical product management support on issues related to IN and was responsible for the IN standardization project within Ericsson. He also continued the standardization activities in ETSI and ITU-T, and was the responsible editor for the draft Recommendations Q.1213 (refined), Q.1223 and acted as the general editor of Q.1224.

Since 1997 Yun-Chao HU is working at Nippon Ericsson KK (Japan) as product manager for IMT-2000 core networks and is responsible the CAMEL/IN products. Since 1997, Yun-Chao HU participates in the ITU-T SG 11 WP 3 (IMT-2000) standardization activities. He is currently the rapporteur for question 24/11, which is signalling requirements for the Network to Network Interface (NNI).

Ericsson is willing to offer the support and the resources necessary for Yun-Chao HU to pursue the 3GPP TSG CN WG 2 activities successfully.

Yours sincerely,

8
