(if applicable)

1. Overall description:

ETSI ISG NFV would like to inform 3GPP TSG SA WG5 that the latest draft copy of the Management and Orchestration Group Specification, v061, is now openly available from the ETSI Portal at the following address;

http://docbox.etsi.org/ISG/NFV/Open/Latest_Drafts/

ETSI ISG NFV reminds 3GPP TSG SA WG5 that this is a draft version which has achieved Working Group approval status. In accordance with our work plan and the ETSI documentation rules Publication is planned for 8th February 2015.

2. Actions:

ETSI ISG NFV asks 3GPP TSG SA WG5 to take the above information into account in their work on the FCAPS management of virtualised 3GPP functions.

3. Date of next meetings of the originator:

NFV#8 18-21 November 2014 Chandler AZ, USA.

NFV#9 24-27 February 2015 Prague, Czech Republic.
