The guide for a smooth 3GPP CT WGs 19-23 May 2025 in Bratislava

Welcome to Bratislava

ETSI extends a warm welcome to Bratislava.

with a population of about 500,000, the country's largest city. Bratislava is in southwestern Slovakia, occupying both banks of the River Danube and the left bank of the River Morava. Bordering Austria and Hungary, it is the only national capital that borders two independent countries

A little bit of history

The history of the city has been strongly influenced by people of different nations and religions, namely by Austrians, Czechs, Germans, Hungarians, Jews, Serbs and Slovaks (in alphabetical order). The city was the capital of the Kingdom of Hungary a part of the larger Habsburg Monarchy territories, from 1536 to 1783 and has been home to many Slovak, Hungarian and German historical figures.

1526-1784, Bratislava was the Capital of the old Hungary. It became the seat of the government.

Since 1919, Bratislava has been the Capital of Slovak republic
