Title: Liaison Statement to TSG RAN WG4 concerning transfer of EMC documents 34.124 and 34.926

Agenda item:

Document for: Decision

T1 EMC the sub group of T1 testing has completed its work on document TS 34.124 "*3rd Generation Partnership Project; Technical Specification Group Terminals; Electromagnetic compatibility (EMC) requirements for Mobile terminals and ancillary equipment (3G TS 34.124 version 3.0.0)*"

and is in the process of completing its work on document 34.926, "*3rd Generation Partnership Project; Technical Specification Group (TSG) Terminals; Electromagnetic compatibility (EMC) Table of International requirements for Mobile terminals and ancillary equipment (3G TS 34.926 version 1.0.0)*".

At its ninth meeting, TSG-T considered and endorsed the request from T1 Testing SWG to transfer the two EMC documents (TS 34.124 and TS 34.926) to RAN WG4 for future maintenance subject to the latter's approval.

Therefore TSG-T requests TSG-RAN to assume responsibility for documents TS 34.124 and TS 34.926 and transfer them to RAN WG4.
