Title Liaison template on CMAF's exploration on Multi-stream content

To: 3GPP, ATSC, and DVB

MPEG would like to inform you that it is starting an exploration on a new activity related to CMAF and the use of multi-stream content as documented in N17548. MPEG solicits feedback on this document and welcomes additional use cases and requirements for this activity.

For your information, our future meeting schedule is as follows:

- 123rd MPEG meeting on July 16 – July 20, 2018 in Ljubljana, SI.
