April 2020, Alpbach, AT (virtual)

Source:	**Convener**
Title:	**Liaison on CMAF HEVC Media Profiles**
To:	**3GPP SA WG4**

ISO/IEC JTC1/SC29/WG11 (MPEG) thanks 3GPP for its liaison of 9 April 2020 on CMAF HEVC Media Profiles in response to MPEG's liaison to 3GPP LS S4-200536 earlier this year.

In response to the Actions in your Liaison, MPEG will study your detailed response between now and its next meeting.

MPEG has standardized CMAF Media Profiles for MPEG-defined codec technologies, including HEVC.

With respect to media profiles in HTML5/MSE, please note that these are standards that are developed in W3C, who might be able to provide further feedback.

For your information, our future meeting schedule can be found at mpeg.chiariglione.org .
