Brief Introduction of Wuhan

Wuhan, the capital of Hubei Province, is a vibrant metropolis in central China. Situated at the confluence of the Yangtze and Han rivers, it consists of three parts: Wuchang, Hankou, and Hanyang.

With a history spanning over 3,500 years, Wuhan has witnessed the rise and fall of numerous dynasties. It was a significant commercial center during the Ming and Qing dynasties and played a pivotal role in the 1911 Revolution.

Today, Wuhan is not only a major transportation hub but also a center for education, with prestigious universities like Wuhan University and Huazhong University of Science and Technology. It also boasts attractions such as the Yellow Crane Tower and the East Lake, drawing visitors from around the world.

Wuhan' s Attractions

Yellow Crane Tower (黄鹤楼)

- The Yellow Crane Tower is located on the top of the Snake Mountain in Wuchang, on the south bank of the Yangtze River inhan, Hubei Province. It is a national 5A-level tourist attraction and is known as the "First Tower of the World's Mountains" and theMost Beautiful Scenery in the World". The Yellow Crane Tower is a landmark building in Wuhan and is known as one of the three famous scenic spots in Wuhan along with the Qingchuan Pavilion and the Guqin Terrace.

Wuhan' s Attractions

East Lake Scenic Area (东湖风景区)

- East Lake Scenic Area, referred to as East Lake, is located in the eastern part of the central city of Wuhan. It is a national 5A tourist attraction, covering an area of 88 square kilometers. Qu Yuan, Li Bai and other historical and cultural celebrities left their footprints, Chairman Mao Zedong inspected 48 times, and distinguished guests from 64 countries visited. The East Lake Greenway in the scenic area is a world-class greenway with a total length of 101.98 kilometers. It is the longest greenway around the lake in the core area of a 5A-level city in China.

Wuhan' s Attractions

Hubei Provincial Museum (湖北省博物馆)

- The Hubei Provincial Museum was established in 1953. It is one of the eight national-level museums co-built by the and local governments, a first-class national museum, a key scientific research base for the protection of unearthed wooden lacquerware by the State Administration of Cultural Relics a national AAAAA-level tourist attraction, and also the largest, most richly endowed, and most scientifically powerful national comprehensive museum in Hubei Province.
- The museum houses more than 260,000 cultural relics, with bronzes, lacquerware, and bamboo slips being the most distinctive. Among them there are 945 first-class cultural relics and 16 national treasures. The four major treasures of the museum are the Sword of King Goujian of, the Zeng Hou Yi Bells, the Yunxian Man Skull Fossil, and the Yuan Blue and White Four Loves Meiping.

Wuhan' s Attractions

Zhi Yinhao (知音号体验剧)

- “Zhi Yinhao” is the first floating multi-dimensional experience drama on the Yangtze River. It is a key innovative cultural tourism project implemented by Hubei Province during the "13th Five-Year Plan" period to implement the all-region tourism development strategy and a highlight project on the cultural axis of the Yangtze River in Wuhan. It is jointly created by Wuhan Tourism and Sports Group and famous director and cross-border artist Fan Yue. Zhi Yinhao is a live-action drama with Zhiyin culture as its soul and the Yangtze River culture of Hankou as its background and the story is based on Wuhan in the 1920s and 1930s.

Local Food

Steamed Wuchang fish (清蒸武昌鱼)

Spareribs and lotus root soup (排骨藕汤)

Braised prawns (油焖大虾)

Hot and dry noodles (热干面)
