

**Support Letter for HengLiang Zhang  
as SA2 IMS SWG Vice Chair candidate**

Dear Colleagues:

Huawei is pleased to support HengLiang Zhang as 3GPP SA2 IMS SWG vice chair candidate.

HengLiang Zhang joined Huawei in 1995, after receiving BS of Computer Science from DaLian University of Science and Technologies. He has since then worked for Huawei for GSM OSS, NGN Softswitch, and IMS system design for about 10 years.

HengLiang Zhang has been involved in 3GPP SA2 IMS standardization work since 2005 working with a variety of IMS related features such as CSI, Service Continuity, IMS Centralized Service Control. HengLiang is currently the rapporteur of Rel-9 Service Continuity and involved in many other Rel-9 IMS related work.

Huawei is committing to support and provide resources necessary for HengLiang Zhang to pursue the vice chair activities of 3GPP SA2 IMS SWG vice chair.

Best Regards
