3GPP SA3 LI would like to thank you for forwarding the liaison statement on VASP MMS Connectivity (S3-010571, T2-010905, T2M010190) to S3 LI.

We would like to ask you to communicate to 3GPP T2, 3GPP S1, 3GPP N5, 3GPP S2, 3GPP S5 our view on the matter.

S3 LI has not defined yet a lawful interception solution for multimedia services in Rel-5 networks.

We will consider the matters pointed out by initial LS when we address the issue in near future.
