

Proposed Audio SWG Org

- Source: EVS & SQ Chairmen – Agenda Item: 6

Main technical areas:

- Speech & Audio Quality (SQ)
 - Terminal acoustics
 - Testing
- Audio media aspects
 - Codecs, capture, rendering, media formats
 - Audio signal processing chain

Key process elements:

- Common agenda for Audio SWG and dedicated agenda items per technical area / work item
- Agenda items / specific Tdocs are clearly assigned to meeting schedule (dedicated sessions)
- Allows specific participation of interested experts

Two Co-Chairs: Imre Varga (Qualcomm) and Stephane Ragot (Orange)
