**Re: Establishment of a co-operative relationship between 3GPP2 TSG-S WG2 and 3GPP TSG SA WG5**

Dear Mr. Yuhan,

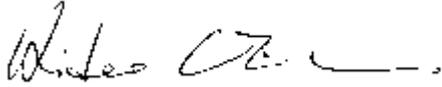

TSG-S is encouraged by your positive response for co-operative relationship between 3GPP2 TSG-S WG2 and 3GPP TSG SA WG5 as stated in your liaison letter from June, 5-9, 2000.

With respect to your comments regarding the scope of the planned delta specification, TSG-S would like to clarify that this specification will be part of the IS-2000 family of standards and applicable for cdma2000 based systems.

Please note that, as requested in the context of our recent invitation, the 3GPP2 TSG-S meeting schedule can be found on the 3GPP2 website at <http://www.3gpp2.org>. The next TSG-S meeting will take place from August 22-25, 2000 in San Francisco.

With reference to our liaison letter from May 11, TSG-S has appointed Jörg Schmidt as a formal liaison to 3GPP TSG-SA WG5. He is planning to attend the next 3GPP TSG-SA WG5 meeting to discuss this letter and to present current 3GPP2 TSG-S OAM&P activities.
