
Title: TSG Plenary

Date: 26th February 1999

Source: AT&T Wireless Services, France Telecom, NTT DoCoMo, TIM, T-Mobil

Related to: Discussion

Problem Statement

For the purpose of improving the rapid and consistent production of all UMTS specifications the signed operators consider the creation of a TSG plenary as urgent and indispensable.

Action

We invite all TSGs to review this requirement and to draft a proposal to achieve that in short time.
