Title: **TTCN code**
Agenda item: **5.1.3**
Document for: **Approval**

The attached zip file contains the TTCN code for the three RRC test cases
TC_8_1_1_1, TC_8_1_2_1 and TC_8_1_3_1 to be approved at the current TSG-T
meeting.

The following files can be found in the zip file:

- RRCv200.mp
- RRCv200.pdf
- rrc3a0.asn
- RRCv200.html

The MP and PDF files shall be a normative part of the annex A of TS 34.123-3,
V200.

The file rrc3a0.asn is the ASN.1 module imported from 3GPP TS 25.331, R99 March
02. It is included here for completeness.

The html file is informative to help at reading.
