Dear Mr. Adrian Scrase,

As you know, 3GPP will host PCG/OP meeting in Mexico this October, in which, a PCG Chairman for 2007 will be elected.

According to 3GPP's normal course of rotation, the Chairperson for 2007 should ideally come from Asia, and considering that there is no PCG Chairperson from China up to now, CCSA would like to recommend Ms. Zhiqin WANG as the candidate chairperson of 3GPP PCG.

Ms. Zhiqin WANG has extensive research and management experience in wireless communications field. Now, She is the vice chairperson of the CWTS (CCSA TC5) and keep participating 3GPP's activities for several years. She has contributed directly or coordinate to contribute plenty of technical papers to 3GPP.

I believe Ms.WANG will be suitable for the position of 3GPP PCG Chairperson. And I think this position would encourage her to contribute more in 3GPP, that will show the CCSA's support of 3GPP's activities.

Your supports will be greatly appreciated.

Sincerely yours.

Baoxin Zhou
