Title: Liaison statement to TSGS-CN, RAN, T on the proposal to use UMTS 22.00 and 23.20 for the purpose of technical coordination among TSGs and WGs

Document for: Decision

TSG-SA meeting held on March 2nd endorsed the proposal made by TSG-SA WG2 regarding the use of UMTS22.00 (UMTS phase 1 services) and 23.20 (GSM to UMTS evolution) for technical coordination purpose across TSGs and WGs. For this purpose Sections of 23.20 has been reorganized to clearly distinguish stable part from non-stable part and approved by SMG #28. Other TSGs and WGs are kindly requested to keep paying particular attention to these two documents during the course of the development of the UMTS phase 1 standards so that work will be done in a timely and consistent fashion throughout the 3GPP.
