TSG RAN WG3 would like to thank TSG CN for LS [NP-010540]. TSG RAN WG3 have reviewed and noted the work item description (NP-010538) for the 'Introduction of AMR-WB speech service in 3GPP Standards Release 5 – Core Network Aspects'.

With regards to any potential impact upon the Specifications that are under RAN WG3 responsibility – no impact is foreseen at this time.

Should any impact be discovered at a later date to the specifications (under RAN WG3 responsibility) - RAN WG3 will try to complete the necessary amendments within the aforementioned timescale.
