## **Invitation to the CN1 SIP Ad-hoc Meeting (Version 2)**

Dear Fellow CN1 Delegates,

AT&T Wireless Services and Rogers Wireless are pleased to invite you to the CN1 SIP ad-hoc meeting which will be held outside Phoenix at the Carefree Conference Center, 37220 Mule Train Road, Carefree, Arizona. It should be noted that the CN1 SIP ad-hoc meeting will be co-located with a group of S1 ad-hoc meetings and the S2 #22 meeting.

Unfortunately, the previous version of this invitation has caused some confusion and raised some concerns among the 3GPP delegates. Consequently, this invitation has been revised. Additional explanations are also available in a Frequently Asked Questions (FAQ) document that is accompanying this invitation. The meeting hosts apologize for any confusion and misunderstandings.

A block of rooms has been reserved at the hotel under the name “**3GPP Meeting**”. The reduced room rate is \$199 + tax, per night. Delegates are responsible for their own hotel reservations and need to fax the attached hotel reservation form to the hotel. Reservations need to be made by **December 13, 2001** in order to receive the reduced room rate.

AWS and Rogers Wireless will be hosting all three meals per day at the conference center.

All hotel reservations must be guaranteed by credit card deposit at time of booking. Deposit of first night fees will be charged to the identified credit card. Reservations received without a credit card will not be honored. Should the reservation be canceled, the deposit is refundable if notice is received at least seven days prior to arrival and a cancellation number is obtained from the hotel. **Cancellations received within seven days of arrival will forfeit the deposit.**

Meeting directions and general information are provided in the following pages.

The chair of the CN1 SIP ad-hoc will be issuing the meeting agenda.

Please take a few minutes and register for these meetings. Online registration should be available at the 3GPP website.

**We are looking forward to seeing you in Phoenix.**

This will be a paperless meeting. Documents will be provided on floppy discs and CD's at the meeting.

Sincerely,
