**CANDIDATE FOR THE VICE-CHAIRMAN POSITION
OF 3GPP CN WG1**

Dear CN1 Colleagues,

Ericsson would like to nominate **Mr. Atle Monrad** for the position as vice-chairman of the CN WG1 in 3GPP.

Atle has been an active participant in CN WG1 since 2001 and has during the period also been a frequent participant in IETF meetings. Earlier on he has been active in standardization of MAP signalling as well as test specifications.

Ericsson is willing to offer Atle Monrad the support and the resources needed to pursue the CN WG1 activities successfully.

Yours Sincerely,

Krister Sällberg
Manager Standardization
Strategic Product Management
ERICSSON MOBILE PLATFORMS

CV for Atle Monrad

Atle Monrad received a B.Sc. Degree in Electrical Engineering in 1986 and an M.Sc. Degree in Computer Science in 2001. He has worked for Ericsson with mobile telephony systems since February 1988.

2001 – 2004	3GPP (focus on IMS) and related IETF working groups
1999 – 2000	GPRS in combination with study leave and lecturing
1997 – 1998	GPRS
1995 – 1996	GSM 900/1800/1900
1988 – 1994	NMT 450 / NMT 900

In the period from 1998 – 2004 Atle has worked with terminals and from 1988 – 1997 with core networks.

During his 16 years with Ericsson, Atle has worked with SW architecture and standards for circuit switched and packet switched mobile systems. He has had various positions as technical leader and standards delegate.

Atle has regularly attended and actively participated in CN1 since 2001.
