**Candidature for CT6 Vice-Chairmanship**

Dear Adrian,

As an indication of Giesecke & Devrient's continuing support of 3GPP, Giesecke & Devrient is happy to confirm the support for the nomination of Mr. Claus Dietze for the post of vice chairman of 3GPP TSG CT WG6. A short curriculum vitae of Claus is attached.

Yours sincerely,

Giesecke & Devrient GmbH

Klaus Vedder  
Executive Vice President

Oliver Richter  
Group Vice President

**Candidature for CT6 Vice-Chairmanship****CURRICULUM VITAE FOR CLAUS DIETZE**

Claus joined Giesecke & Devrient in August 1996. He is currently employed as Technical Key Account Manager in the Project Management team of the division Telecommunications in Giesecke & Devrient. He has been seconded to ETSI MCC for the support of the standardisation groups responsible for smart card applications aspects in ETSI project Smart Card Platform as well as in 3GPP TSG-T WG3 (now CT6). Since he returned to Giesecke & Devrient in September 2003, Claus is an active participant of 3GPP TSG-CT WG6. Claus acted as vice-chairman for 3GPP TSG CT WG6 from August 2005 onwards and is seeking to continue this role.
