Object: Candidature for 3GPP TSG-CT6 Vice-chairman position

I am pleased to confirm that Mr. Paul JOLIVET, representing LG Electronics Inc. (member of TTA), is candidating for the position as a Vice-Chairman of 3GPP CT6. He is working for LG Electronics Mobilecomm France, which is a subsidiary of LG Electronics Korea.

Mr. JOLIVET has extensive experience of standardization. He has the necessary technical, procedural and leadership skills to conduct all necessary activities as Vice-Chairman of CT6.

Our support for Paul JOLIVET as a candidate is based on our commitment to the technical and commercial success of the 3GPP project and the standards development process.

If elected, LG Electronics is committed to provide the necessary support for him.

Yours sincerely,

Frédéric CHRISTOPHE
Head of Standardisation Group
LG Electronics MobileComm France

Curriculum Vitae: Paul JOLIVET

Paul JOLIVET has been working for over two years for LG Electronics Mobilecom France (a LG Electronics subsidiary in France) after having worked for DoCoMo Europe for over five years.

He has long experience of standardisation, having started with ETSI SMG9 in 1996. He regularly participates to 3GPP CT and CT6 meetings as well as to EP SCP meeting from the beginning. He has also been participating in the past to WAP Forum/OMA activities.

Paul was elected as Chair of 3GPP T3 SWG API in 2000 (the activity was ended in 2004) and Vice Chair of 3GPP T3 in 2001.

He has also been elected Chair of EP SCP TEC working group.
