Dear Mr. Scrase,

As an indication of Research in Motion's (RIM's) continuing commitment to the 3GPP, RIM is committed to supporting Mr Nigel Barnes to continue in his role as Chairman of 3GPP TSG CT6 for the remainder of his second two year period.

RIM will ensure that Nigel receives the necessary support to carry out this role.

Nigel has been active in Standards development in a variety of groups for the last eighteen years, formerly with Motorola, and now with RIM.

Please do not hesitate to contact me if I can be of any further assistance.

Yours sincerely,

Paul Carpenter
Director Standards
