

TSG-RAN meeting #12
Stockholm, Sweden, 12-15 June 2001

RP-010462

Title: FDD Base Station Classifications Status Report
Document for: Information
Source: Nokia
Agenda Item 9.1.4

TR25.951 Status prior TSG RAN

The technical report TR25.951 editor has been changed. The new editor is Timo Lagerstam NOKIA Corporation Finland, email:timo.lagerstam@nokia.com.

In the last TSG RAN WG4 meeting, Ericsson represented the Tdoc TSGR4# 010 598 "FDD Base Station Classification for micro cells" for a discussion. The tdoc was agreed to be added in TR25.951.

The editor has not yet produced the update for the TR, but will present the changes as a CR next TSG RAN WG4 meeting #18 in Berlin for approval.

Editor regrets this unnecessary delay in this matter.
