

**Agenda item:** 9.2.1.1  
**Source:** Rapporteur  
**Title:** **Status Report of Work Item** Iur Common Transport Channel Efficiency Optimisation.  
**Document for:** Information

---

## Status

At RAN3 #23 an R3 internal technical report R3.002 was agreed as version 0.1.0. A contribution was presented and agreed to be included in the technical report. The contribution proposes and drafts an RNSAP CR as a solution to the assignment of the WI.

The rapporteur for this work item and for the associated technical report is Shahrokh Amirijoo from Ericsson (Shahrokh.Amirijoo@era.ericsson.se).
