

The European Friends of 3GPP
have the pleasure of welcoming you to
3GPP TSGs#96 from Monday 6 to Friday 10 June 2022

Welcome to Budapest

EF3 extends a warm welcome to Budapest for a safe meeting.

The capital of Hungary, on the River Danube: formed in 1873 from the towns of Buda and Pest.

Wear your 3GPP badge

You must print your badge using the link in the meeting registration acknowledgment message, and you must wear it throughout the meeting – not just on the first day!

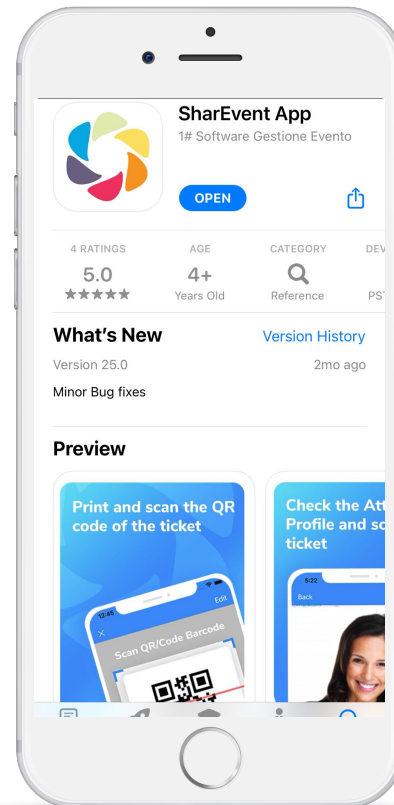

This is a common courtesy to other delegates.

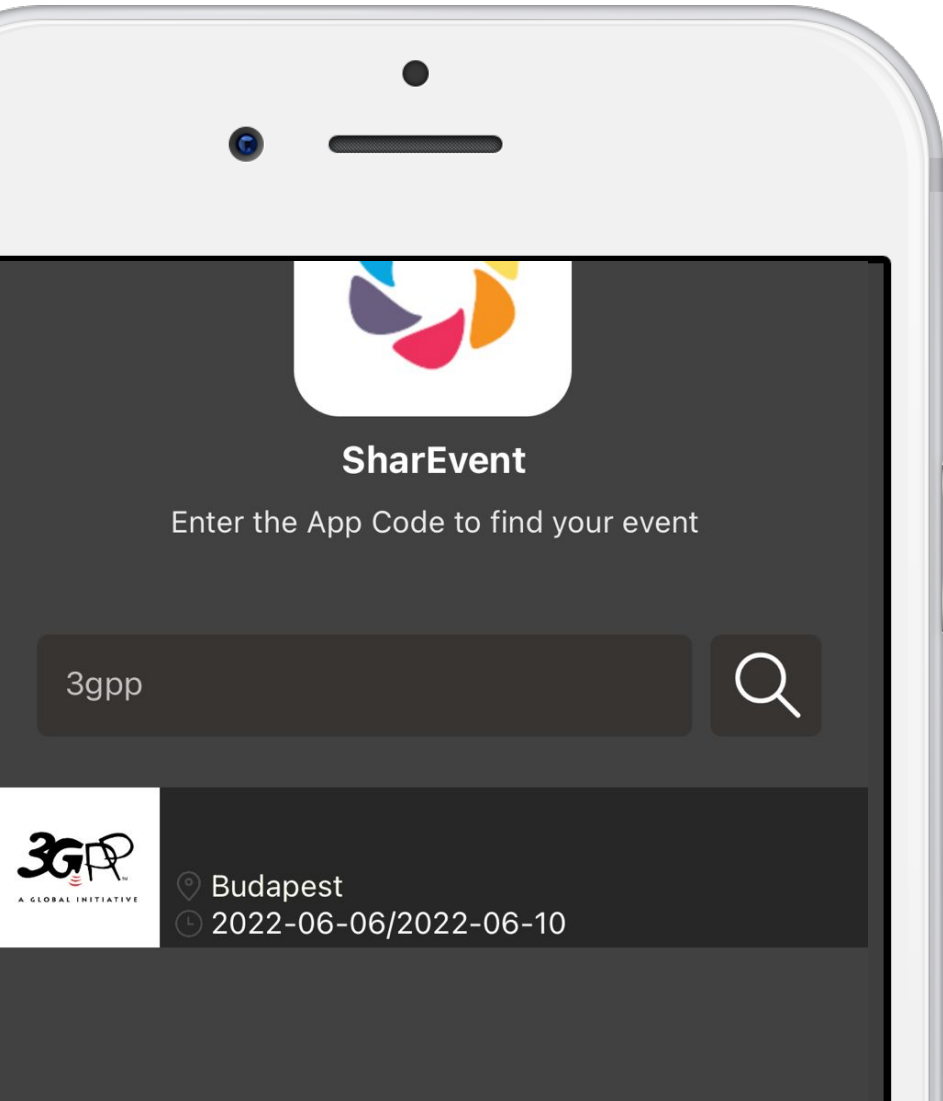

In these days of heightened security concerns, a 3GPP badge identifies you to hotel security officials as a legitimate meeting participant.

DOWNLOAD SHAREVENT APP

Look for the SharEvent App on the Stores.

You can use the QR Codes below

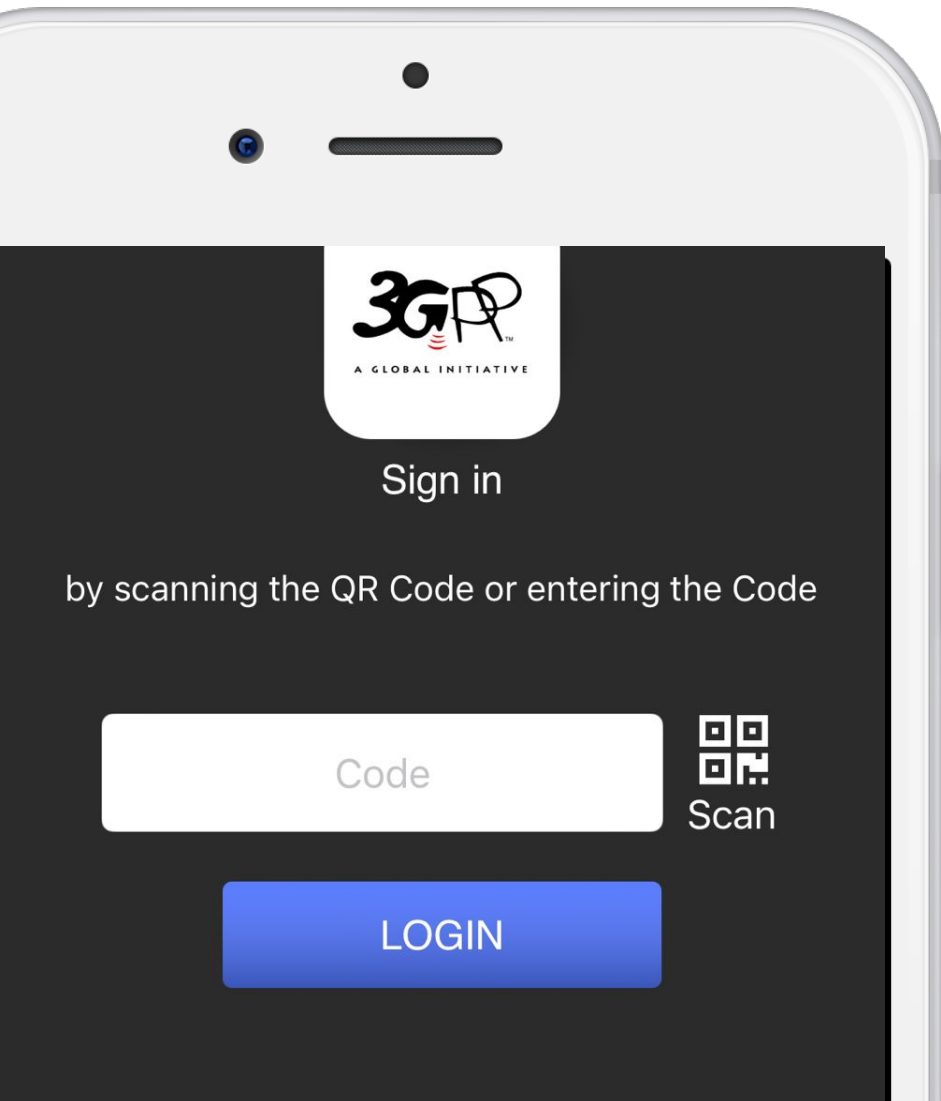

SECOND FIND THE EVENT

TYPE THE EVENT CODE:

3gpp

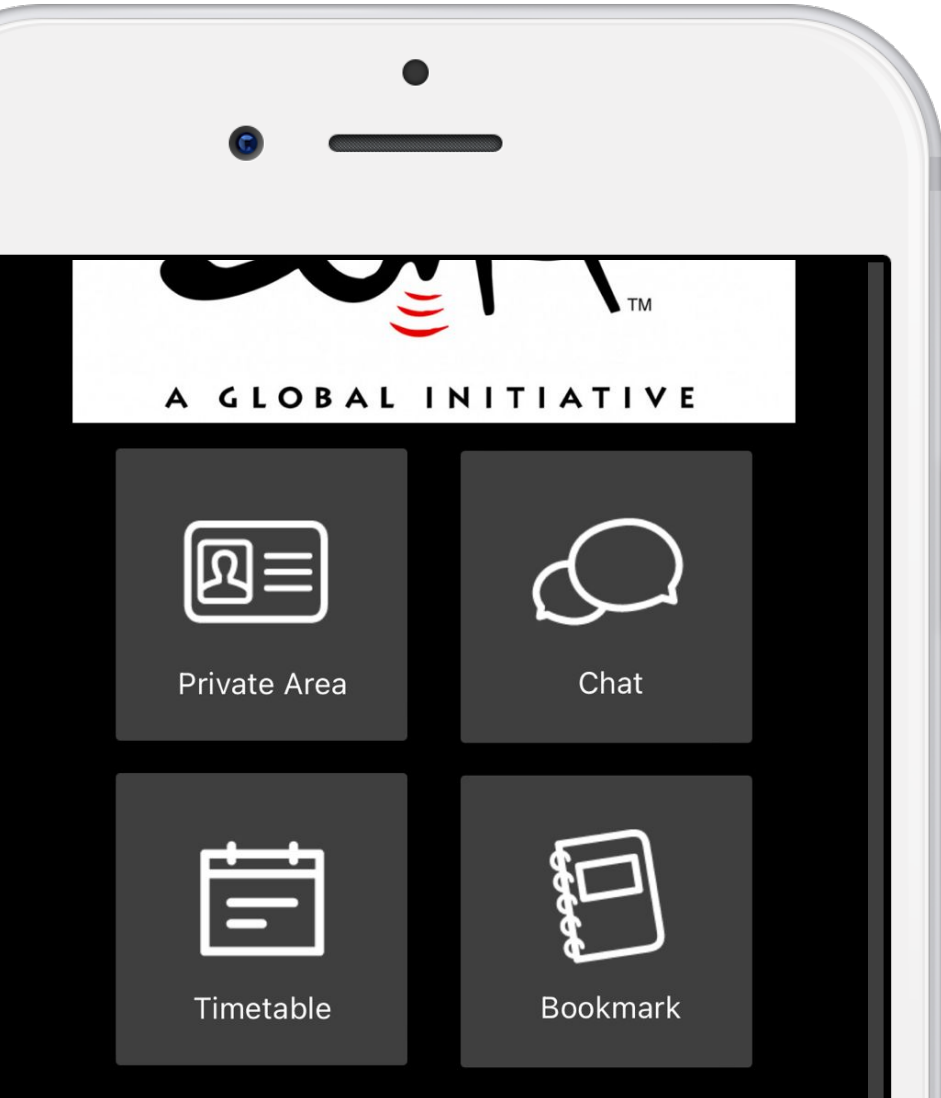

With this code you can enter the 3GPP RAN#96 Event

THIRD LOGIN

TYPE THE PERSONAL ACCESS CODE YOU RECEIVED BY E-MAIL

Please type the code that you received on the email named
"3GPPRAN#96 - Your Access Code"

FOURTH BROWSE THE APP

YOU WILL HAVE MANY FEATURES

Use the modules available

PRIVATE AREA

Find your badge

CHAT

Chat with other attendees

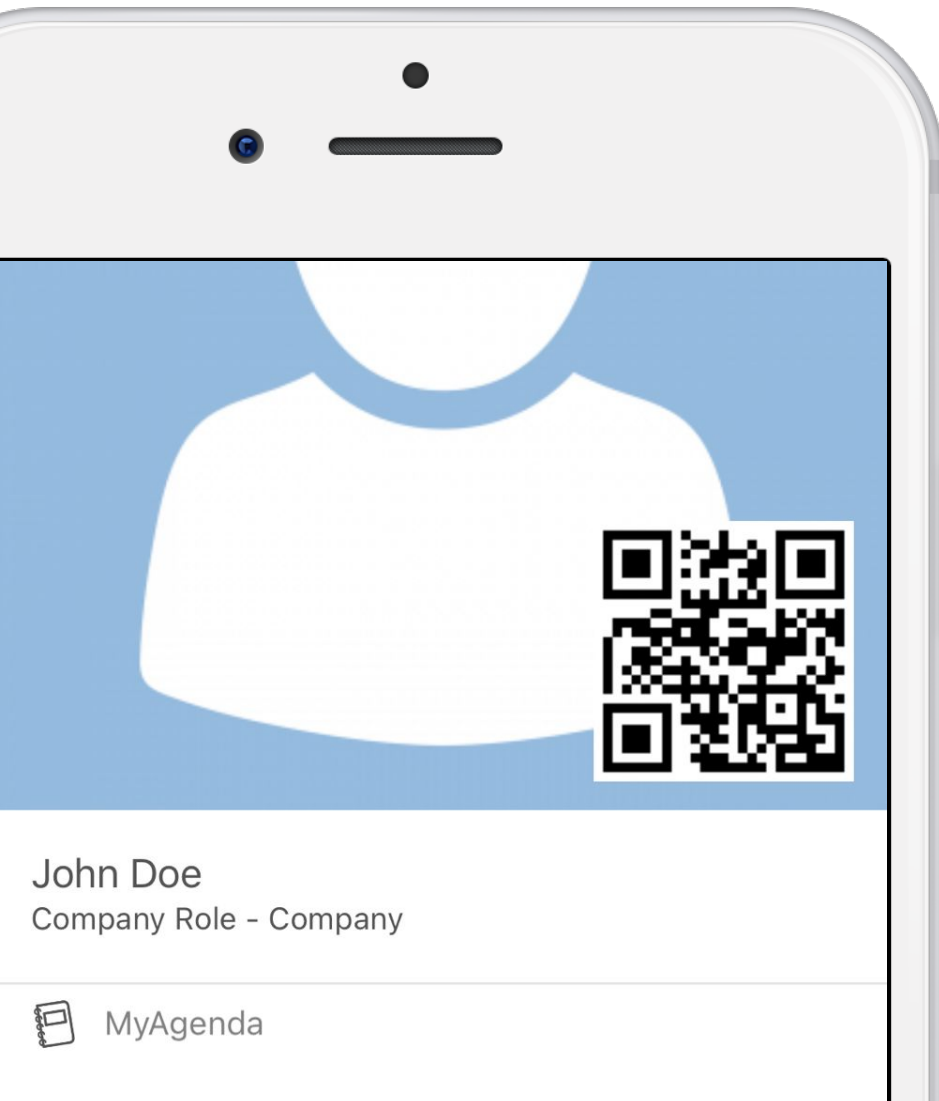

TIMETABLE

Browse the event agenda

BOOKMARK

Save your favorite sessions and find them easily

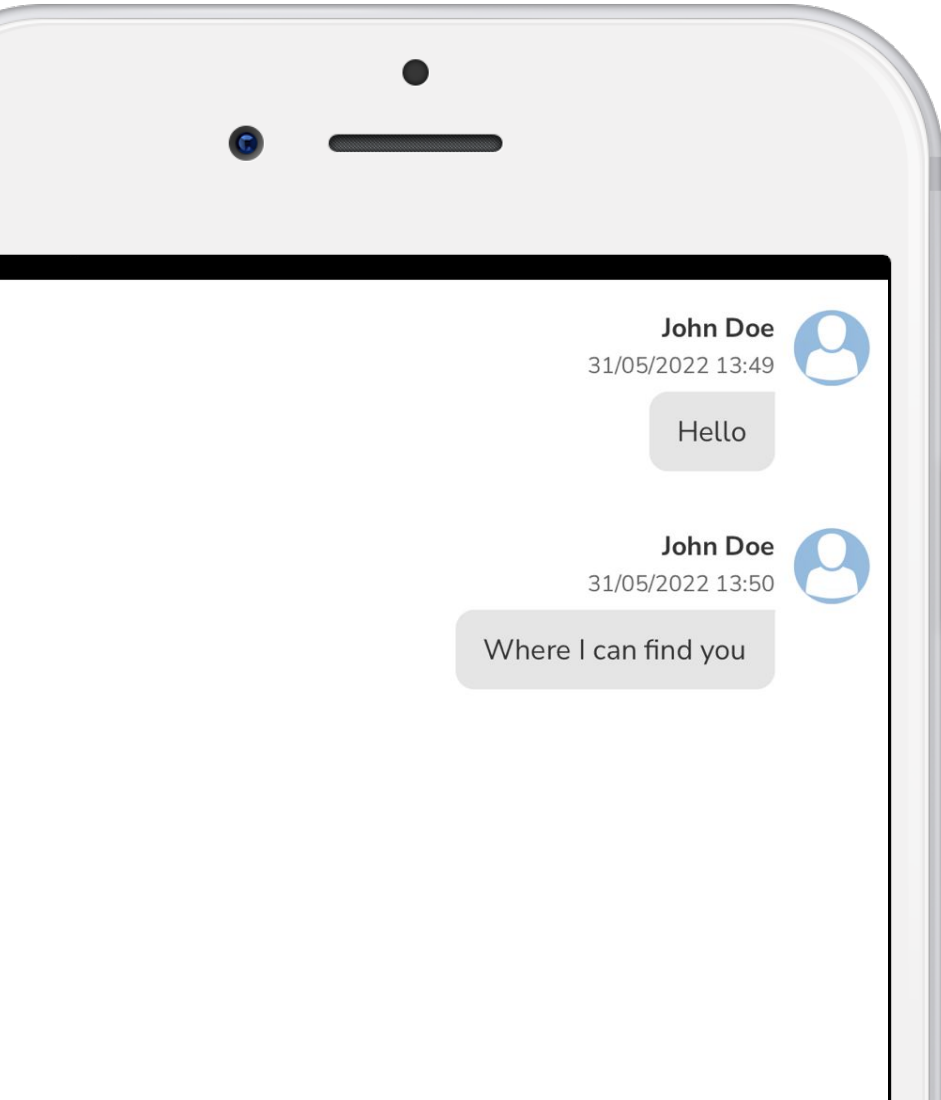

PRIVATE AREA

FIND YOUR DIGITAL BADGE

A QR Code will be scanned at your entrance to the meeting room.

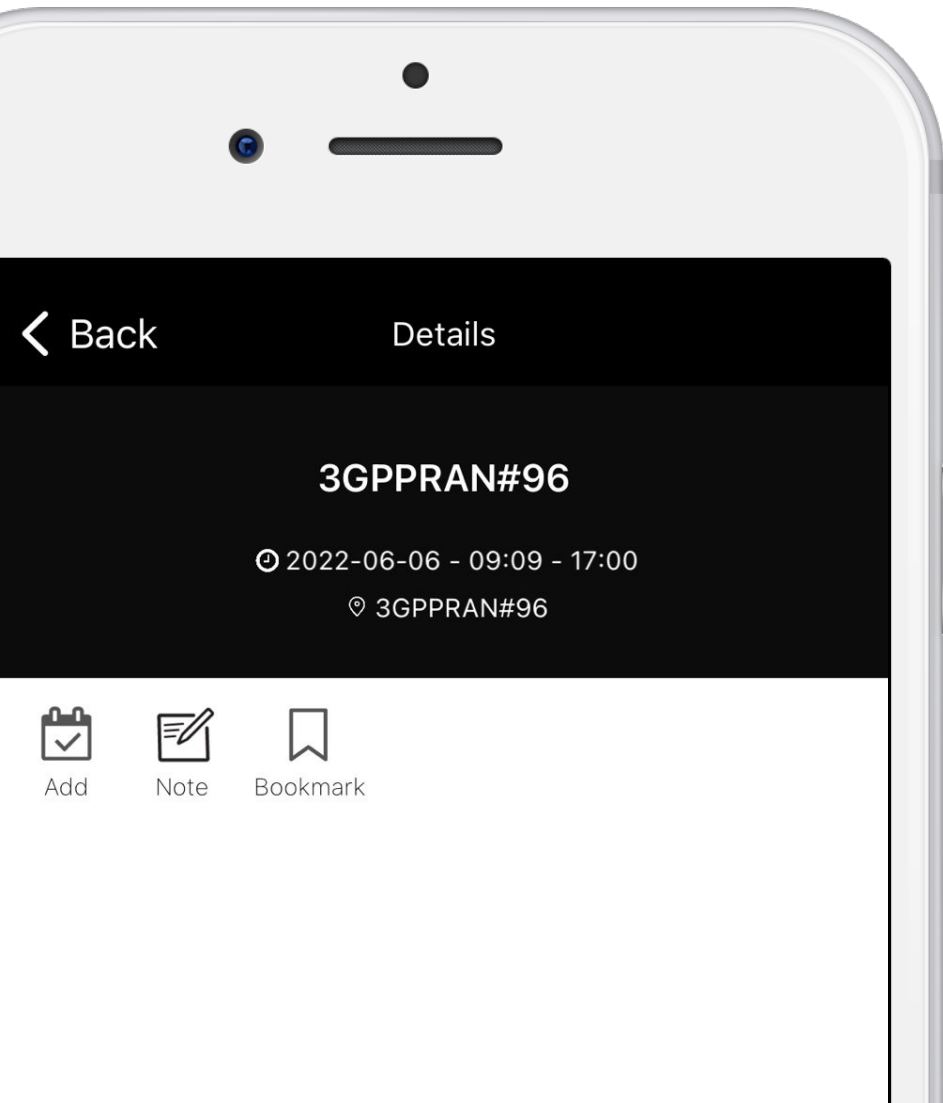

You can use the App with your Private Area open to show your QR Code

C H A T

CHAT AND INTERACT

Chat with other participants without sharing your phone number

T I M E T A B L E

BROWSE THE PROGRAM

Use the timetable to discover the agenda, put the most interesting sessions on your calendar, or take notes

Meeting Information

Meeting rooms

3GPP RAN “Patria event hall” from Monday to Thursday included
3GPP RAN break out room “Lehar” from Monday to Thursday included
3GPP CT “Bartók” from Monday to Tuesday included
3GPP SA “Larus event hall” from Tuesday PM to Friday included

Coffee breaks

Morning: 10:30-11:00 Afternoon: 16:00-16:30

RAN & CT: Congress Center

SA: Larus

Social event

BBQ will start at 1800 on Tuesday 7 June (in the garden of Novotel)

Registration at <https://portal.3gpp.org/Home.aspx#/meeting?MtgId=60354>

Lunch

Novotel is going to open a cash bar during lunch break where people can buy sandwiches, salads, fruits and desserts.

Otherwise the neighbouring shopping mall offers several catering facilities.

COVID19 measures

Additional measures by the host

EF3 will be able to offer FFP2 face masks

EF3 will be able to offer limited amount of self-test kits for delegates

All public areas in the hotel and meeting rooms will be equipped with hand-disinfection and sanitizers

PCR & Antigen Testing days:

Wednesday 8 of June 2 times (morning, evening)*

Thursday 9 of June 2 times (morning, evening)

Friday 10 of June 2 times (morning, evening)

Saturday 11 of June 1 time (morning)*exact time to be advised

Where: in a private area within Novotel Budapest (**BIZET room**) **Cost:** PCR test 19.500 HUF/ person, and we have a call out fee for the doctor/doctors which is 20.000 HUF/hour/person + one administration guy who ask all the details from the costumers which is 20.000 HUF/hour/person. Antigen test 8 500 HUF.PCR results = 15 hours max, Antigen results = 3 hours from the ending morning/afternoon session.**Payment:** You can pay by Via transfer after the testing, by cash or by credit card. They will issue the invoice in HUF.You can pay in euros, and the changing price will be 300HUF/1EUR if you want to pay by cash.

How to connect to 3GPP network?

WiFi

SSID: 3GPPWIFI
Password: 3GPP3GPPM

Read and agree “Responsible behaviour” via your browser

3GPP
A GLOBAL INITIATIVE

Responsible behaviour

Delegates are reminded that they share the meeting IT resources with their fellow delegates. You should not abuse the service by using bandwidth-hogging applications such as movie downloads, streaming video, web-based gaming, etc during the meeting. Use the internet service in your hotel rooms for this!

Delegates must respect the law of the hosting country, and should not visit prohibited internet sites. In cases of persistent abuse of the internet bandwidth, MCC may restrict individual's use of the service. In particular, the PCG [has laid down](#) the following network usage conditions:

- 1. Users shall not use the network to engage in illegal activities. This includes activities such as copyright violation, hacking, espionage or any other activity that may be prohibited by local laws.
- 2. Users shall not engage in work-unrelated activities that consume excessive bandwidth or cause significant degradation of the performance of the network.

Since the network is a shared resource, users should exercise some basic etiquette when using the 3GPP network at a meeting. It is understood that high bandwidth applications such as downloading large files or video streaming might be required for business purposes, but delegates are strongly discouraged from performing these activities for personal use. Downloading a movie or doing something in an interactive environment for personal use essentially wastes bandwidth that others need to make the meeting effective. The meeting chairman should remind end users that the network is a shared resource; the more one user grabs, the less there is for another. Email and its attachments already take up significant bandwidth (certain email programs are not very bandwidth efficient). In case of need the chairman can ask the delegates to restrict IT usage to things that are essential for the meeting itself.

- 1) DONT place your WiFi device in ad-hoc mode
- 2) DONT set up a personal hotspot in the meeting room
- 3) DO BY 802.11a if your WiFi device supports it
- 4) DONT manually allocate an IP address
- 5) DONT be a bandwidth hog by streaming video, playing online games, or downloading huge files
- 6) DONT use packet probing software which clogs the local network (sniffers or port scanners)

By clicking this button you confirm that you have read and agree to abide by the terms of use of the 3GPP meeting network as set out on this page

Do you agree to the above terms?

Team on-site

Host EF3: Emmanuelle.Wurffel@etsi.org

Internet/3GPP network :

Christophe.Volnay@etsi.org, Jean-Luc.Freisse@etsi.org

Meeting Access control (only for RAN meeting room):

Mathieu.mangion@etsi.org

Take care, stay safe in Budapest!
