Dear Mr. Scrase,

As an indication of Research in Motion's (RIM's) continuing commitment to the 3GPP, RIM is committed to supporting Mr Richard Burbidge to continue in his role as Vice Chairman of 3GPP TSG RAN2 for the remainder of his second two year period.

RIM will ensure that Richard receives the necessary support to carry out this role.

Richard has been active in Standards development for the last ten years, formerly with Motorola, and now with RIM.

Please do not hesitate to contact me if I can be of any further assistance.

Yours sincerely,
