HOW TO REACH THE VENUE

Köln/Bonn (CGN)

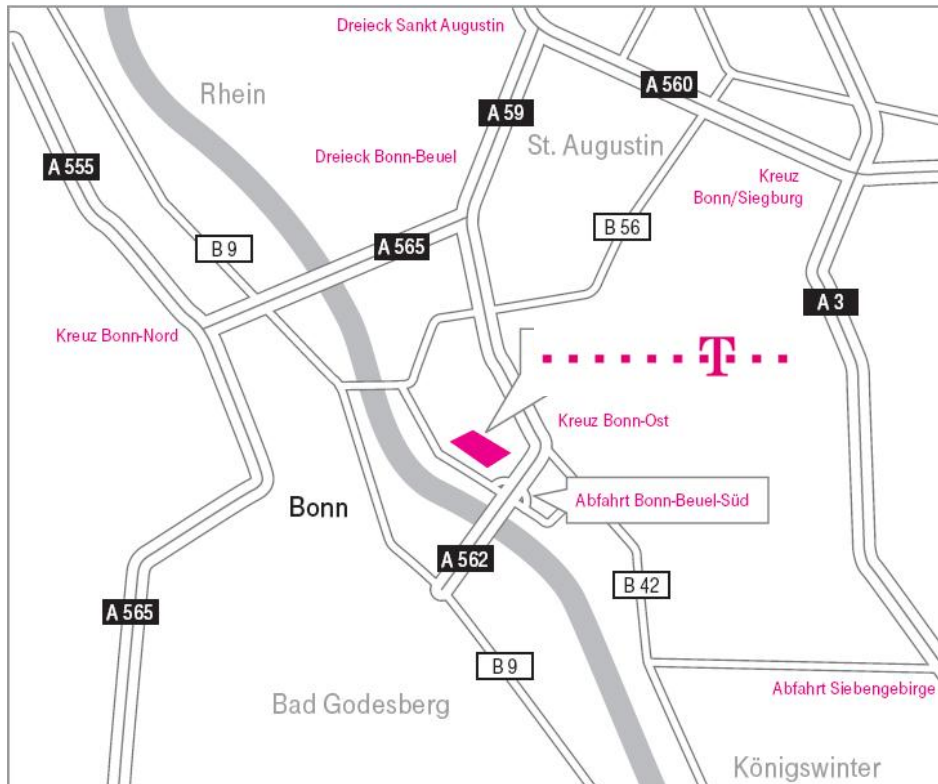

The closest Airport is Köln/Bonn (CGN). From the airport it is convenient to take a free Deutsche Telekom "Airport Shuttle" (see below) or a taxi to the Deutsche Telekom premises (~20 km; ~35 EUR). Going by train/bus is possible as well (Bahn.de).

Frankfurt (FRA)

Second best airport is Frankfurt (FRA). From there, one should take a high-speed train (ICE). Time tables can be found at Bahn.de. Look for a connection from "*Frankfurt(M)Flughafen*" to "*Siegburg/Bonn*". The train takes only 38 minutes and leaves currently once per hour. From the "*Siegburg/Bonn*" train station it is convenient to take a free Deutsche Telekom "ICE Shuttle" (see below) or you can get a taxi (~15 km; ~25 EUR) or continue by train & bus to the Deutsche Telekom's premises. Of course, you can also take a rental car from Frankfurt but note that it is ~180 km to Bonn.

Düsseldorf (DUS)

Finally, it would be possible to fly to Düsseldorf (DUS) and to take the train from there (Bahn.de).
