Summary of offline disc R3-212673 (if needed)

The workplan was submitted in RAN1 and RAN2 in the April meetings. It was not possible to do so in RAN3 since there was no meeting in April.

Since no additional RAN3 impacts have been communicated in this version, it is proposed to note the workplan [1].

Feedback Form 1: Any comment on the work plan?

1 – Nokia France Wokplan OK.
2 – Ericsson LM ok
