

**Agenda Item:** 9.2.6  
**Source:** Rapporteur  
**Title:** Status Report of Work Item Re-arrangement of Iub Transport Bearers  
**Document for:** Information

---

## Status

TR25.880 Re-arrangement of Iub Transport Bearers v. 0.1.0, rapporteurs update was presented during the RAN WG3#23 meeting and noted.

## Open Issues

Following open issues are identified so far:

- Should the CRNC be able to trigger Iub Transport Bearers re-arrangement?
- Signalling bearer change timing: from when is the new signalling bearer used?
- Synchronised or unsynchronised configuration for bearer changes?

## Proposal

There is no proposed actions for TSG RAN.
