"Charming Star City"

Changsha City, also known as Star City, is a prefecture-level city and provincial capital under the jurisdiction of Hunan Province.

Changsha City is one of the first batch of national historical and cultural cities, after 3,000 years of city name, the city site remains unchanged, and is known as "the hometown of Qu Jia", "the famous city of Chu and Han Dynasty" and "Xiaoxiang Zhushi". There are historical sites such as Mawangdui Han Tomb, Siyang Fangzun, Wu Jian of the Three Kingdoms, Yuelu Academy, Tongguan Kiln and so on. It condenses the Huxiang culture of "practical and eclectic". Changsha is not only one of the sources of the late Qing Restoration Movement and the old democratic revolution, but also one of the birthplaces of new democracy. walked out of celebrities such as Huang Xing, Cai Yi, and Liu Shaoqi.

Changsha' s Attractions

Changsha orange island

- The Xiangjiang River, the Dongting Lake water system in the Yangtze River Basin, is the largest sandbar among the many alluvial sandbanks in the lower reaches of the Xiangjiang River, and is known as "China's first continent". One of the eight views of ancient Xiaoxiang, "Jiangtian Twilight Snow" is here. Orange Island is a painting that shows the style. It is adjacent to Yuelu Mountain, accompanied by the water of Xiangjiang River, the scenery is breathtaking, forming a unique landscape of "one green mountain and one city". Looking west at the towering Yuelu Mountain, it is adjacent to Yuelu Academy, Aiwan Pavilion and Yuelu Mountain University Town under construction; Overlooking the scenery of the Xiangjiang River in the east, you can enjoy the prosperity of the city. From west to east, mountains, waters, continents, and cities are integrated, like flowing paintings, like enlarged bonsai. Tourists climb the continent, listen to the fishing boat singing at night, watch the red maple of the Lushan Mountain, see the Tianxin Flying Pavilion, enjoy the orange red of the trees, chant the words of the sages, and enjoy it.

Changsha' s Attractions

Hunan Provincial Museum

- The Hunan Provincial Museum is one of the first national first-class museums in China, one of the eight national key museums jointly established by the central and local governments, and the largest comprehensive history and art museum in Hunan Province. Learn about the history of Hunan in the museum, and enjoy the unearthed antiquities, especially the cultural relics unearthed from the Mawangdui Han Tomb in Changsha, Shang and Zhou bronzes, Chu cultural relics, ceramics of the past dynasties, calligraphy and paintings, and modern cultural relics. Feel the charm of this land.

Yuelu Academy

- Yuelu Academy is one of the four most famous academies in Chinese history, located at the foot of Yuelu Mountain on the west bank of the Xiangjiang River in Changsha, Hunan, a famous historical and cultural city in China, and is one of the oldest universities in the world. Aiwan Pavilion, located in the Qingfeng Gorge at the foot of Yuelu Mountain in Changsha City, Hunan Province, was built in 1792, and its name comes from Du Mu's seven-word quatrain "Mountain Travel" in the "stop and sit in love with the maple forest evening".

Changsha' s Attractions

Wenheyou

- The "Wenheyou" of Changsha Hisense Plaza is an original public space integrating urban culture and local cuisine. The decoration here is all designed in the style of the eighties and nineties of the last century, with earthy red brick houses, stinky tofu stalls, and old-fashioned tape recorders..... The real scene has created a city of memories, conquering the majority of diners and tourists with the unique market fireworks with Changsha's characteristics, and has become the most popular traffic at the moment, attracting a number of celebrities, including Jay Chou, to check in.

Pozi Street

- Changsha Pozi Street, with a long history of more than 1,200 years, is a veritable thousand-year-old street, and is also a representative of Huxiang culture. After the "Wenxi Fire", Pozi Street was destroyed in one fell swoop, and gradually fell silent. The newly built Pozi Street is built on an area of 180 acres, connecting the Wuyi business district, Jiefang West Road Bar Street, and Huangxing South Road pedestrian commercial street. It has become a landmark commercial and cultural street in Changsha that inherits Huxiang culture and leads the trend of the times.

Changsha' s Attractions

Tianxin Pavilion

- Tianxin Pavilion is located in the southeast corner of the central area of Changsha, Hunan Province, No. 17, Tianxin Road, Tianxin District. Tianxin Pavilion was built at the end of the Ming Dynasty, and the Tianxin Pavilion was rebuilt during the Qianlong period of the Qing Dynasty. During the Anti-Japanese War, it was destroyed by the Wenxi fire, and in 1983, Tianxin Pavilion was rebuilt. Tianxin Pavilion has three floors of pavilions, with a construction area of 846 square meters, green tile cornices, and Zhu Liang painting building. Tianxin Pavilion and the Chonglie Pavilion commemorating the fallen soldiers of the Anti-Japanese War, the Chonglie Gate, the relief of the Taiping Army Soul, and the stone carving gallery of historical celebrities constitute the core landscape of the scenic spot. Since ancient times, it has enjoyed the reputation of "Xiaoxiang Ancient Pavilion, Qin and Han Dynasty Famous City", Tianxin Pavilion is not only a symbol of the ancient city of Changsha, but also has witnessed the historical development and changes of Changsha. Tianxin Pavilion is now a national AAAA-level tourist attraction and a famous historical and cultural building in China
