RE: Enhanced Network Policy Requirements for Common IMS

Dear Enrico,

As indicated in our correspondence dated April 3, 2008, we would like to assist SA1 in the development of network policy requirements for Release 9. Though some Network Policy work exists in earlier Releases, to our knowledge, there is no formal Stage 1 requirements document published by SA1 addressing this topic.

Attached is 3GPP2 published Stage 1 specification S.R0120-0 v1.0, titled "All-IP System - MMD Policy Enhancements - System Requirements" which we bring to your attention. We hope you will find it useful in the development of Common IMS requirements pertaining to network policy enhancements. If you have any questions or comments, please do not hesitate to contact us.

We look forward to continued collaboration on Common IMS development and evolution.

Regards,

Nick Yamasaki
Chair, 3GPP2 TSG-S

Attachment: S.R0120-0 v1.0
