### **Liaison Statement**

S1 thanks T2 MExE for its liaison statement informing S1 of the current MExE R98 status, and the need for a MExE R99 Stage 1.

A meeting has been proposed for the 23<sup>rd</sup> June (invitation to be subsequently distributed) to consider the MExE R99 Work Item, and propose changes to the MExE R98 Stage 1. S1 notes T2 MExE's comments on the past co-operation for MExE R98, and invites T2 MExE delegates to the proposed meeting. It is intended to finalise the MExE Stage 1 for Release 99 by the end of August 1999.
