## **TRAVEL INFORMATION**

### *A. Travel from Arlanda airport to Kista and downtown Stockholm*

Travel from Arlanda airport can be done by bus or taxi.

There are bus services to Kista and downtown, but the frequency of operation to Kista is not too high. Inquire at the airport if there is a suitable bus when arriving. On the other hand to downtown Stockholm buses operate at about 10 minutes interval most times of the day and the City Terminal is located in the same block as the Radisson SAS Royal Viking Hotel (less than 5 minutes walk).

If you choose to go by taxi, make sure to check with the taxi dispatcher to get a taxi from a “serious” taxi company. Please remember to negotiate the price in advance! Many taxi companies offer flat rates (between SEK 345,- and 450,-) to Stockholm.

### *Transportation/walking directions to Electrum*

To get to Electrum from the Hotel Amaranthen, you can go by underground (T-bana, Tunnelbana in Swedish). The Underground station is “Rådhuset” and is just around the corner from the hotel.

To get to Electrum from the Radisson SAS Royal Viking Hotel, you can go by underground (Tunnelbana, T-bana, in Swedish). The underground station “T-Centralen” has got several entrances just outside the Radisson SAS Royal Viking Hotel.

If you go by underground, take the “Blue line” in direction “Akalla” to station “Kista Centrum”. It is approximately 20 minutes journey from “T-Centralen”. The trains operate at rush hour with about 10 minutes interval.

When leaving the underground train at “Kista Centrum” use the exit at the rear end of the train, when leaving the station you immediately enter a shopping mall, turn left and walk through the shopping mall to “Kistagången”.

As you exit the shopping mall, you will have a Telia tele shop on your right and an Ericsson office on your left. Continue on “Kistagången” to Electrum. It is about 5 minutes walk from the station to Electrum.

Alternatively, you can of course go by taxi from the down town hotels.
