Question 16 of SG 13 thanks 3GPP SA3 for inviting collaboration on Mobility Security.

Q.16/13 suggests to 3GPP SA3 to continue collaboration by physical presence whenever possible. To this end, the participants of Q.16/13 have authorized Messieurs Yinxing Wei and Terry Wang (ZTE, PR of China) to present the first output of the work item on Mobility Security Framework for the NGN, which they lead, at the March Sophia-Antipolis meeting of SA 3.
