Title: Candidate for Vice Chairman of TSG-SA WG4
Document for: Information
Agenda Item: Election of Vice Chairman for TSG-SA WG4

Candidate Name: Tomoyuki Ohya
Individual Member: Senior Research Engineer
Multimedia Labs.,
NTT DoCoMo, Inc., Japan
Partner Organization: ARIB, Japan
Name of the WG: TSG-SA WG4
Position: Vice Chairman

Curriculum Vitae

Mr. Tomoyuki Ohya received the B.E. and M.E. degrees in electronic engineering from Kyoto University, Japan in 1986 and 1988 respectively, and the M.S. degree in management of technology from Massachusetts Institute of Technology, U.S.A. in 2000.

He joined NTT in 1989, and since 1992 he has been working at NTT DoCoMo. He has been engaged in research and development of digital speech coding technologies for PDC (Personal Digital Celluer) half-rate, PDC enhanced full-rate, and IMT-2000. One of his major achievements in this area is the PDC-HR (PSI-CELP) codec algorithm development and its standardization in Japan.

From 1996, he participated in the MPEG-4 international standardization activity, and mainly focusing on the research and development of error resilient video and audio coding technologies for the 3rd generation mobile communications systems.

From 1997, he contributed to the IMT-2000 standardization in Japan as a member of ARIB CODEC WG. He chaired DG3 drafting group under CODEC WG to complete Subjective Test Plan for IMT-2000 mandatory speech codec.

Currently he is mainly engaged in research and development on the multimedia signal processing and the QoS architecture for IP based mobile networks.

Company Support Letter

May 29, 2001

On behalf of NTT DoCoMo, please accept the nomination of Mr. Tomoyuki Ohya as the position of Vice Chairman of the 3GPP TSG-SA WG4. He has more than 12 years experience in research and development on mobile communications systems since he joined NTT, especially in signal processing area.

NTT DoCoMo is about to provide the 3G service first around the world from the end of May, 2001 in Japan. We recognize that it is natural to nominate a candidate for the important position of the Vice Chairman TSG-SA WG4 from a leading global service operator, which will have experiences from actual 3G commercial services.

We are quite confident that TSG-SA WG4 will make a great achievement under his vice-chairmanship with comprehensive support from NTT DoCoMo to fulfil his responsibilities as a Vice Chairman.

Dr. Hiroataka Nakano

Vice President

Executive Manager

Multimedia Laboratories

NTT DoCoMo, Inc.
