TSG-T(Terminal) meeting #2

Fort Lauderdale, 1-4 March 1999

Agenda Item: Election of Chairman and Vice-chairman for TSG-T

Source: Matsushita Communication Industrial Co., Ltd.

Title: Candidate for Vice-chairman of TSG-T

Document for: Information

Candidate Name : Toshihiro (Toshi) Shimizu

Individual Member: Matsushita Communication Industrial Co., Ltd. , Japan

Partner Organization: ARIB , Japan

Name of the TSG: Terminal

Position: Vice-chairman

Personal Profile:

He has been working in the UK since May 1993 as a representative of Matsushita Communication Industrial Co., Ltd. ; one of the subsidiary Panasonic companies, located in Yokohama, Japan.

His role in Europe is as a Liaison Manager between Europe and Japan, for strategic planning and managing new business development projects on mobile communication and mobile multi-media fields including GSM.

He has over 30 years experience not only in the management of engineering and technical projects for radio communication, data communication and mobile multi-media businesses but also in standardization.

His experience includes a secondment to ARIB for PDC Standardization (April 1990 – September 1992), Paging Operator Manager (November 1986 – June 1989), Governmental think-tank Senior Researcher (April 1982 – March 1984) and other similar mobile communication projects.

He graduated in radio communication from the University of Electro-Communications located in Tokyo, and joined Matsushita Communication Industrial Co., Ltd. in 1968. He worked for the first 14 years as a Radio System Engineer on various projects including a radio telemeter, a large-scale remote control system, a ocean radio robot and a supervision system.
