Subject: Nomination of candidate for the 3GPP TSG CT WG1 Vice-Chairman

Dear Colleagues,

Ericsson is pleased to nominate **Jörgen Axell** as candidate for the position as vice-chairman of the 3GPP TSG CT WG1.

Jörgen received a M.Sc. degree in engineering physics in 1984 from the Royal Institute of Technology in Stockholm, and a PhD in theoretical physics in 1990, also from the Royal Institute of Technology. Jörgen held a post-doc position at Courant Institute of Mathematical Sciences, New York University, 1991-92.

Jörgen started in Ericsson in January 1991. At Ericsson he started with ATM technology and applied research. He represented Ericsson in ATM Forum, Traffic Management group 1996-97.

Jörgen worked as back-office for the IMS from 2008, and joined CT1 as an IMS delegate in 2012. Jörgen has since worked actively with IMS services including mission critical services. Jörgen has been rapporteur for several work items related to both IMS and mission critical services. Jörgen is currently rapporteur for a number of IMS and mission critical Tses.

Jörgen is also since 2016 representing Ericsson in the GSMA NG groups RILTE, 5GJA, and GERI (merged group of PACKET and SIGNAL).

Ericsson is committed to the 3GPP standardization work and will give the full support and resources necessary for Jörgen Axell to fulfill the duties and responsibilities required as 3GPP CT WG1 vice-chair. Jörgen Axell is informed about and aware of the antitrust/competition laws and regulations of relevant jurisdictions. He will comply with such laws while acting in his capacity as TSG CT WG 1 vice-chair.

Jörgen Axell represents the Individual Member "Ericsson LM" and the Project Partner "ETSI".

Yours sincerely,

Krister Sällberg,

Director, Telecom Standardization
