Director 3GPP Standards
LG Electronics

Paris, Oct 01st, 2015

Object: Candidature for 3GPP TSG-CT WG6 Chairman position

I am pleased to confirm that Mr. Paul JOLIVET, representing LG Electronics Inc. (member of TTA), is candidating for the position as a Chairman of 3GPP CT6. He has working for LG Electronics France, which is a subsidiary of LG Electronics (Korea), for 11 years.

Paul has extensive experience of standardization; within 3GPP as well as ETSI. He has the necessary technical, procedural and leadership skills to conduct all necessary activities as Chairman of CT6.

Our support for Paul JOLIVET as a candidate is based on our commitment to the technical and commercial success of the 3GPP project and the standards development process.

If elected, LG Electronics is committed to provide the necessary support for him. Furthermore, Paul will be trained to comply with all applicable antitrust/competition laws and regulations while acting in his or her capacity as TSG Chairman or Vice Chairman.

Yours sincerely,

KiYoung KIM
Director
LG Electronics

Curriculum Vitae: Paul JOLIVET

Paul JOLIVET has been working for over eleven years for LG Electronics (within the European LG Electronics subsidiary in France) after having been working for DoCoMo Europe for five years.

He has long experience of standardisation, having started with ETSI SMG9 in 1996. He regularly participates to 3GPP CT and CT6 meetings as well as to ETSI TC SCP meeting from the beginning. He has also been participating in the past to WAP Forum/OMA activities.

Paul was elected as Chair of 3GPP T3 SWG API in 2000 (the group's activity have closed their activity in 2004) and Vice Chair of 3GPP T3 (and CT6) since 2001. He was finally elected chairman of CT6 in 2013.

He also provides at every CT6 meeting the ETSITC SCP activity status report to identify impacts of accepted CRs and new features on 3GPP specifications.
