**Dear Mr. Adrian Scrase,**

On behalf of CCSA, I would like to recommend **Mr. Hai Tang** from **China Mobile** as a candidate for the position of **3GPP RAN Vice Chairman** and **Mr. Rouzbeh Farhoumand** from **Huawei Technologies Co.,Ltd.** as the candidate for the position of **3GPP TSG-CT Vice Chairman** for the March 2009 elections.

**Mr. Hai Tang** started his career in mobile communication in the year 2000, as a R&D engineer of LCR-TDD system in the China Academy of Telecommunications Technology (CATT), after he received Master's degree. He turned to standardization and began attending 3GPP TSG RAN WG1 meetings since the beginning of 2005 as the main delegate of CATT. He has also attended most RAN Plenary meetings. He has made key contribution for harmonized and competitive LTE TDD/FDD system. At the beginning of 2008, he joined China Mobile Communications Corp. and continued his role in 3GPP as the main delegate in RAN.

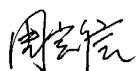

Mr. Hai Tang has been very active during the process of LTE standardization. He will continue to contribute in promoting 3GPP standard in the global scale.

**Mr. Rouzbeh Farhoumand** has 15 years of telecommunications experience in wireline and wireless systems, system architecture, signaling, protocols and products. He has an excellent track record of standardization work in national and global standardization bodies in the past 11 years. Mr. Farhoumand is a well known and highly accomplished individual in the 3GPP community. He has been actively contributing and securing the progress and success of the work in all the Core Network Working Groups and the Plenary meetings by attending the 3GPP since its inception in December 1998.

I believe **Mr. Hai Tang** and **Mr. Rouzbeh Farhoumand** will commit themselves to assisting the Chairs for the affairs in respective areas and contributing to the progress of 3GPP as a whole.

Your supports will be greatly appreciated.

Sincerely yours.

Baoxin Zhou

Dear Susanna and John,

On behalf of **Huawei Technologies Co., Ltd.**, a **CCSA Member**, we are pleased to nominate **Mr. Rouzbeh Farhoumand** as a candidate for the position of **3GPP TSG-CT Vice Chairman** for the March 2009 elections.

Rouzbeh has 15 years of telecommunications experience in wireline and wireless systems, system architecture, signaling, protocols and products. He has an excellent track record of standardization work in national and global standardization bodies in the past 11 years. Rouzbeh is a well known and highly accomplished individual in the 3GPP community who actively has been contributing and securing the progress and success of the work in all the Core Network Working Groups and the Plenary meetings by attending the 3GPP since its inception in December 1998.

If elected, Rouzbeh will provide full support to the TSG-CT leadership and CT Delegates to ensure that 3GPP specifications continue being developed in the most productive, efficient and fair manner.

Huawei is fully committed to providing all the necessary support to Rouzbeh to undertake this important function.

Yours Sincerely,  
Wang Xuemin
