## Nomination of candidate for 3GPP TSG CT Vice Chairman

Dear Ms. Kooistra and Mr. Kymalainen,

China Telecom is pleased to nominate Mr. Biao Long as candidate for the TSG CT Vice Chairman election. Mr. Long is representing China Telecommunications, an ETSI member in 3GPP.

Mr. Long graduated in 2007 from South China University of Technology (China) with a Master of Science degree in Communication and Information System. He joined China Telecom in 2007 and has been involved in research and development activities from 3G through 4G and is now working towards 5G core network.

Since 2011, he has been regularly participating in 3GPP as a delegate, having attending a number of bodies including TSG-CT, TSG-SA, SA2, SA5, CT3 and contributing to following topics: SAES, FMSS, eFMSS, 5GS\_Ph1, eNA, ATSSS and etc. He has also acted as rapporteur for the work item eFMSS\_CH (Release 15, SA5) and for study item FS\_AAI\_LTE\_NR (Release 16, SA2). Now his team is also leading the work item PAP/CHAP (Release 17, CT3/CT1), SMS\_SBI study (Release 17, CT4) in the CT WG and the SID/WIDs in SA WG(e.g., FS\_5GSEI, TE117\_SPSFAS).

Mr. Long is the leadership member of 3GPP standards in China Telecom and is leading internal coordination and supervising China Telecom's standardization activities in TSG-CT and TSG-SA. Besides, he also has extensive experience in wide variety of telecom standards including GSMA, CCSA and IMT-2020(5G).

Through these experiences, he has acquired a leadership ability of achieving the progress of standardization by resolving difficult situations with a consensus-based approach. He has also gained deep knowledge of working procedures needed for the coordination among 3GPP TSGs.

China Telecom is committed to provide full support to Mr. Biao Long to fulfill the responsibilities as the 3GPP TSG CT Vice Chairman. Mr. Long will be trained to comply with all applicable antitrust/competition laws and regulations while acting in his capacity as 3GPP TSG CT Vice Chairman.

Sincerely yours,

Deputy General Manager  
Science and Technology Innovation Department  
China Telecom Corporation Limited.
