Subject: Support of Nokia for Nigel Berry to continue as Vice Chairman of 3GPP TSG CT

Dear Kimmo and Susanna,

I am pleased to inform you that Nokia, through its Nokia Networks ETSI 3GPP affiliation, continues the support for Mr Nigel Berry in his role for TSG CT Vice Chairman, following the acquisition of Alcatel-Lucent by Nokia.

Nokia is committed to the 3GPP standards eco-system and will continue to support Nigel fully for the remainder of his term. Note that Nokia, through all its controlled entities including those of Alcatel-Lucent, does business as "Nokia".

Yours sincerely,

Miikka Poikselkä

Head of Converged Networks Standardization  
Nokia Bell Labs CTO
