Nomination of Candidate for 3GPP TSG GERAN WG1 Chairman

Ericsson is delighted to announce the nomination of Mr. Olof Liberg as a candidate for the Chairmanship of 3GPP TSG GERAN WG1. Olof is representing Ericsson LM, a member of ETSI.

Olof graduated 2005 from Uppsala University (Sweden) with a Master of Science in Engineering Physics and also holds a Bachelor degree in Business and Economics. He has been working for Ericsson since 2008.

Olof has mainly been working with development and standardization of the GSM/EDGE Radio Access Network and actively contributed to the progress of various study and work items such as: MUROS, VAMOS, SPEED, MCBTS/MSR, MRLA and DMCG. In addition, Olof is also the current 3GPP TSG GERAN WG1 chairman as well as the current 3GPP TSG GERAN chairman.

As current chairman of 3GPP TSG GERAN WG1 Olof is trained to comply with all applicable antitrust/competition laws and regulations while acting in his capacity as 3GPP TSG GERAN WG1 Chairman.

Ericsson is fully committed to support Olof in his tasks as the Chairman of 3GPP TSG GERAN WG1.

INTRODUCTION

I have since 2008 been working with development and standardization of the GSM/EDGE Radio Access Network and gained experience in radio and baseband technology and its practical application in GSM base station systems. I have during the last years been active in 3GPP GERAN and ETSI TC MSG standardization committees. In GERAN I have over the years actively contributed to the progress of various study and work items such as MUROS, VAMOS, SPEED, MCBTS/MSR, MRLA and DMCG. I am currently holding the positions as TSG GERAN and TSG GERAN WG1 chairman.
