Subject: Nomination of Candidate for 3GPP TSG RAN WG4 Vice Chairman

Motorola Solutions is pleased to nominate Edgar Fernandes for the position of 3GPP TSG RAN WG4 Vice Chairman, as part of the ongoing commitment to 3GPP Standards development. Motorola Solutions is committed and willing to support Edgar in this role and to support all obligations of the Vice Chairman including time and travel commitments.

Edgar Fernandes works for Motorola Solutions Ltd and represents Motorola Solutions Ltd, a ETSI member in 3GPP

Edgar has been employed by Motorola for over twenty years and has been active in Standards development in a variety of groups since 1998. He is a regular member of 3GPP RAN4 and 3GPP RAN since the start of 3GPP. He has been active in both WCDMA and LTE standardization.

A brief curriculum vitae of Edgar Fernandes is attached

Sincerely,

A handwritten signature in black ink, appearing to read 'Darren McDuffee'.

Corporate Vice President

Motorola Solutions Inc.

Curriculum Vitae of Edgar Fernandes

Edgar Fernandes - Distinguished Member of the Technical Staff (Motorola Solutions)

Edgar has over 30 years experience in RF design, product development, systems engineering and regulatory approval (RF, EMC, Telco and product safety) in the telecommunications industry.

He has actively participated in both ETSI and the 3GPP Standards Groups since 1990. He has been the 3GPP RAN4 Vice-Chair since 2007 and has chaired many of the RAN4 working group sessions. He is also Rapporteur of many work items in 3GPP including the UTRA_WCDMA (TS25.101) and EUTRA_LTE (TS36.101) Terminal RF specifications.

Edgar, who is based in the United Kingdom, holds a Bachelor of Science (Hons) in Electronic Engineering (specialisation in Communications) from The University of Southampton, United Kingdom.
