Nomination of candidate for 3GPP TSG RAN WG5 Vice Chairman

Dear Ms. Kooistra and Mr. Sigovich,

On behalf of CATT, a CCSA member of 3GPP, I am pleased to nominate Mr. Xiaozhong Chen as candidate for the upcoming TSG RAN WG5 Vice Chairman election.

Mr. Chen joined CATT and has been attending 3GPP TSG RAN WG5 as a delegate since 2004. In the last 19 years, His work in TSG RAN WG5 covered variety of topics in UE conformance testing domain. He has also joined the work of ETSI MCC TF160 as a senior TTCN expert for years, which gave him a thorough technical knowledge of UE conformance testing. After working as vice chairman's assistant for 8 years, Mr. Chen was elected as the RAN5 vice chairman in 2015 and continuing this work from then on. I believe Mr. Chen is fully capable of the vice chairman's work for TSG RAN WG5.

Mr. Xiaozhong Chen is informed about and aware of the antitrust/competition laws and regulations of relevant jurisdictions, and he will comply with such laws while acting in his capacity as RAN WG5 Vice Chairman.

Sincerely yours,

Shaohui Sun
