France

Dear Maurice and Susanna

On behalf of Samsung Electronics Co., Ltd, a TTA member, I am pleased to nominate Dr. Sungho Choi for the position of Vice Chair of the TSG SA.

Dr. Choi heads the Samsung delegation in 3GPP. He has been an active member of the 3GPP community since 1999. He has been active in various WGs including RAN WG2, RAN WG3 and SA WG2, and is currently the Samsung's TSG SA and PCG representative. Over the years, Dr. Choi has not only actively contributed technically, but he has also been active in motivating and encouraging the membership to meet the worthy goals of the 3GPP organization.

Samsung Electronics will be the supporting entity and is committed to providing the necessary resources to support Dr. Choi in accomplishing the duties and responsibilities for this office, if elected.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "Joonho Park".

Joonho Park, Ph.D.  
Senior Vice President,  
Head of Standards and Technology Enabling,  
Samsung Electronics Co., Ltd

POSITION OF CANDIDACY:	Vice Chairman of 3GPP TSG-SA
Candidate Name:	Sungho Choi
Individual Member:	Samsung Electronics Co., LTD
Organizational Partner:	TTA

Brief Curriculum Vitae:

Sungho Choi received Ph. D. degree in applied mathematics from Korea Advanced Institute of Science and Technology (KAIST), Korea, in 1998.

He joined Samsung Electronics in 1999 and has been working at Standards and Technology Enabling Team in Suwon, Korea with focusing on standardization of mobile communications.

From 1999 to 2003, he had been actively involved in WCDMA standardization and had attended all the RAN WG3 meetings and also contributed in RAN WG2. He had contributed to the standardization including WCDMA, HSDPA, MBMS and HSUPA.

From 2004 to 2008, he has attended all the SA WG2 meetings contributing to the standardization of a wide range of features including IMS, I-WLAN and SAE.

From 2004 to present day, he has attended all TSG SA meetings as the head of Samsung's delegates.

From 2003 to present day, he has chaired the 3GPP related WGs in TTA.
