Subject: Nomination of LaeYoung Kim as Candidate for 3GPP TSG SA Vice Chair

Dear Elisabetta, Maurice and TSG SA members,

On behalf of LG Electronics which is a member of TTA, I am pleased to announce that Ms. LaeYoung Kim will stand as a candidate for the position of 3GPP TSG SA Vice Chair at the upcoming TSG elections in 3GPP TSG SA#107, Incheon, Korea.

Since joining LG Electronics in 2008, LaeYoung has been attending 3GPP SA and SA WG2 where she has actively contributed to various topics and features for 4G System and 5G System. She has led V2X topic as rapporteur of SA2 study items and work items from Release 14 to Release 18 to support V2X services in 4G System and 5G System, and contributed to the successful completion of standardization in time. Recently, she contributed to the completion of Release 19 study item and work item on UAS Phase 3 as rapporteur in SA2.

LaeYoung has served as Vice Chair of TSG SA from June 2017 to March 2021, actively supporting and conducting SA meetings and sessions.

Also, she is very active in TTA and has served as Vice Chair of TC011 (Mobile Communication Technical Committee) covering standardization and international cooperation of IMT technology mainly related to 3GPP, ITU-R WP5D and CJK IMT, from October 2020 to June 2022.

LaeYoung is informed about and aware of the antitrust/competition laws and regulations of relevant jurisdictions, and she shall comply with such laws while acting in her capacity as TSG SA Vice Chair.

With experience in standards as well as knowledge of mobile systems, networks and terminals, we are confident that LaeYoung will bring very positive influence and contributions to 3GPP TSG SA and 6G System.

LG Electronics fully supports and believes that Ms. LaeYoung Kim will perform her job successfully as Vice Chair of 3GPP TSG SA.

Kindly Regards,

Yeongho Je
