Dear Colleagues:

Alcatel-Lucent is pleased to announce that Alec Brusilovsky will stand as a candidate for the position of Vice Chairman of 3GPP TSG SA Working Group 3.

Alec joined Alcatel-Lucent in 1997. Prior to that he was working for one of the major US wireless operators - US Cellular. Mr. Brusilovsky has extensive experience in architecture, design, consulting, and applications development for wireline, wireless and IP networks. In addition, he served in the past as a co-chair of the IETF SPIRITS Working Group and is active within the IETF in security and Internet Telephony-related groups. Alec is IEEE Senior Member and is active in the IEEE Communication Society. He holds US Patents and has authored multiple IETF RFCs.

We believe that Alec will be able to positively contribute to the TSG SA WG3 activities by demonstrating his technical abilities, fairness and leadership qualities. We also believe that Alec's leadership experience in collaborative standards initiatives will help drive harmonization and consensus. His commitment and enthusiasm, coupled with his expertise, will facilitate, support and promote the development of the industry standards and to meet the needs of the 3GPP TSG SA Working Group 3.

As part of its ongoing commitment to the 3GPP process, Alcatel-Lucent will provide all necessary support for Alec, if elected, to allow him to fulfill Vice Chair responsibilities.

Best Regards
