Ms. Susanna Kooistra (Susanna.Kooistra@etsi.org)

Mr. Mirko.Cano (Mirko.Cano@etsi.org)

Subject: Nomination and support for 3GPP TSG SA3 Vice-Chairman Candidate

Dear Susanna and Mirko,

As an indication of continued commitment to 3GPP TSG SA3, China Mobile Communications Corporation (CMCC) is pleased to nominate Ms. Judy Zhu as a candidate for the 3GPP TSG SA3 Vice Chairman.

China Mobile has been actively contributing to the standardization work in the 3GPP, ITU-T, OMA, CCSA, IETF, etc. And Ms. Judy Zhu has 12 years of professional experience in telecommunication security. She has served for vice chairman of the CCSA TC5 WG5 from 2002 to 2008, vice chairman of the CCSA TC8 WG4 since the beginning of 2010, and acted as the NGMN P-SEC security project leader from 2008 to 2009. In 2008, she joined China Mobile Communications Corporation after 7 years working in Bell labs, Lucent and Alcatel-Lucent. She has good knowledge in security field regarding UMTS, CDMA2000, BCMCS, WiMAX, and LTE. We strongly believe that her professionalism and broad technical background in security standardization well qualify her to effectively serve as the 3GPP TSG SA3 Vice Chairman.

CMCC is fully committed to recommend Ms. Judy Zhu as a candidate for 3GPP TSG SA3 Vice Chairman, and will support her in all necessary aspects to accomplish the duties and responsibilities of 3GPP TSG SA3 Vice Chairman if she is elected.

Best regards,

Liu Hong

3GPP Lead

China Mobile Research Institute

Resume of Judy Zhu

Judy has 12 years experience to continuously contribute her efforts toward the standardization of security aspects (3GPP, 3GPP2, IETF, ITU-T, CCSA etc) till 2013.

She received a Master's Degree in communication engineering with major cryptography in Xidian University in 2001. After graduation, she joined Bell labs, lucent to take part in the work of research and standardization on the mobile communication system from 2001-2008. During this period, she attended 3GPP2, ITU-T and took the vice chairman position in CCSA TC5 WG5 (2002-2008).

Since the beginning of 2008, she began to work in China Mobile Communications Corporation and ensured her responsibility in telecommunication security for designing systems to standardization; she took NGMN security project chairman for China Mobile; she has been the delegate manager of China Mobile in 3GPP SA3 (2008-now) and the vice chairman of CCSA TC8 WG4 (2010-now), etc. In addition, her duties include internal security projects for China Mobile.
