Ms. Susanna Kooistra (Susanna.Kooistra@etsi.org)

Mr. Mirko Cano Soveri (Mirko.Cano@etsi.org)

Subject: Nomination and support for 3GPP SA3 vice chairman candidate

Dear Ms. Kooistra and Mr. Soveri

Microsoft nominates Dr. Dajiang Zhang as a vice chairman candidate of 3GPP SA3 election to be held during SA3 #77 meeting, 17-21 November 2014 in San Francisco, USA. Microsoft is an individual member of 3GPP via the organizational partner ETSI.

With Dajiang's background and experience we can assure you that Dajiang is a suitable candidate for the role of SA3 vice chairman. Dajiang has been an active participator of 3GPP SA3 for over 10 years. If elected, Microsoft will provide necessary resource and support for Dajiang to fulfill his duties as SA3 vice chairman.

Sincerely,

A handwritten signature in black ink, appearing to read "Teuvo Jarvela".

Teuvo Jarvela

Head of Devices Compatibility and Industry Collaboration

Microsoft

Resume of Dajiang Zhang

Dajiang has over 14 years of experience in telecommunication and over 10 years work in standardization. He started his career in Nokia research center Beijing in 2000 and joined Nokia standardization team in 2006. Now Dajiang is leading Microsoft device China standardization team and is the vice chairman of CCSA TC11 WG1. Dajiang joined Nokia's 3GPP delegation in 2004 and actively participated in many SA3 areas. Dajiang has his Ph.D from Institute of Computing Technology, Chinese Academy of Sciences.
