Re: Nomination for 3GPP Technical Specification Group (TSG) RAN Vice Chairman

On behalf of T-Mobile USA Inc. (ATIS), please accept the nomination of Jerome Vogedes to continue in his leadership position of Vice Chairman of the 3GPP TSG RAN representing ATIS. Mr. Vogedes has over 25 years' experience in the Telecommunications field and 30 years in standardisation development. Jerome has served in the leadership of ATIS, OMA, 3GPP2, TIA, and 3GPP as well as numerous other industry fora in past years.

Mr. Vogedes is a Senior Member of Technical Staff, Director at T-Mobile USA (TMUS)

T-Mobile USA believes that Mr. Vogedes's experience in the standardisation of the mobile cellular family of technologies, his leadership in those standardisation efforts and his long participation in 3GPP give him the necessary tools to continue to effectively carry out the duties of this leadership position in the 3GPP. In addition, Jerome has been trained to comply with all applicable antitrust/competition laws and regulations while acting in his capacity as TSG RAN Vice Chairman. If reaffirmed/elected to Vice Chairman of TSG RAN, T-Mobile US will provide the necessary resources and support for Mr. Vogedes to accomplish the duties and responsibilities of that office.

With best regards,

Scott F. Migaldi
Senior Director, Standards and Technology Policy
