February 16, 2023 | Nomination and support for 3GPP TSG SA vice chair candidate

Dear Susanna, dear Maurice,

On behalf of Deutsche Telekom AG, member of 3GPP through ETSI, I am pleased to announce that Johannes Achter will stand as candidate for the upcoming election to the post of vice chair of 3GPP Technical Specification Group Services & Architecture during the TSG SA meeting #99, 21st to 24th March 2023 in Rotterdam, Netherlands.

Johannes has been involved in 3GPP for many years as Deutsche Telekom delegate. During that time he has been regularly and actively participating in 3GPP TSG SA, SA WG 1 and CT. He acted as TSG CT Vice Chair from 2017 to 2021. Johannes was elected Chair of EF3 (European friends of 3GPP) and currently holds the position of chair of E3MAG (ETSI 3GPP Meeting hosting Advisory Group).

He is a long-standing expert in standardization and gained lot of expertise in various other forums like NGMN, GSMA and ITU.

Johannes is informed about and aware of the antitrust/competition laws and regulations of relevant jurisdictions and he shall comply with such laws while acting in his capacity as TSG Vice Chair. If elected Johannes will provide full support for the chair and will commit to ensure and progress in a fair and correct manner the work that TSG SA has been presented with. Deutsche Telekom will provide Johannes with all the support he needs in order to perform the role effectively, as part of Deutsche Telekom's commitment to 3GPP.

Best regards,

Heinz Polsterer

JOHANNES ACHTER

VP INTERNATIONAL STANDARDISATION

Johannes currently works for Deutsche Telekom as Vice President in the Group Technology Standards, Patents & OSPO. There he is responsible for all standardisation activities in access forums and coordination of 5G, 5G-Advanced and 6G standardisation activities. His responsibility beside the standardisation work in 3GPP encompasses project management and coordination of standards and business strategy. Johannes has experience of more than 25 years in telecommunication.
